

FINAL PAYMENT DEADLINE = 30th MAY 2012

□

FULL PAPER FORMAT

Use the following step-by-step instruction to guide you through the paper submission process.

1. Register as EDAS member

To submit paper(s), you are required to have EDAS (Editor's Assistant Service) account. You

can get one free of charges [here](#) .

2. Register the Full Paper

[Login](#) to your EDAS account.

Click the *Submit Paper* tab and you'll be given a list of conferences. Find ICIAS2012 on the list then select the *Submit icon* right next to it. Or you can directly go to this weblink <http://edas.info/newPaper.php?c=10971> to register your paper.

Fill in the *Title* and *Abstract* fields, then select a suitable *Review Topic Group*. Submit these information and you will be receiving an email notification on your paper number and how to upload the extended abstract.

3. Upload the Full Paper

Follow the instructions sent via email to upload your full paper **in PDF format** via a web or ftp link. You should receive an email notification upon successful upload.

4. Final Paper Requirement

The Full Paper should be four (4) to six (6) pages long, including title, author's names, affiliations and e-mail addresses is requested. The abstract should consist of a brief introduction, rationale, approach/methodology, results/expected findings of the work undertaken and a list of key references. Full Paper must be submitted electronically in **PDF format**.

Please refer to [Important Dates](#) page for notification of acceptance date
