

YAYASAN UTP

Yayasan UTP (UTP Foundation) was established in 2007 to promote and further the cause of education in the country, and to support the future development of Universiti Teknologi PETRONAS (UTP) as an academic institution of excellence.

Yayasan UTP plays a key role in seeking donations and in forging new partnerships with individuals and organisations, and supports UTP through the next phase of its growth as a leading educational institution that promotes creativity and innovation.

It also provides opportunities for the next generation of students to pursue knowledge, especially in the fields of science and technology, as well as help prepare them for a career in the increasingly challenging global economy.

Yayasan UTP - The Scholarship

It is given to deserving students with excellent academic achievement with the potential to contribute towards the enhancement of research and development & innovation in the nation's oil, gas & energy sector.
