

UTP is proud of its close relationship with the industry partners. These industrial collaborations, combined with our strengths in long term strategic research, mean that in addition to support excellence science, our research produces exploitable knowledge, which is commercialized generating wealth and contributing to the quality of life.

### [Center of Enhanced Oil Recovery \(COEEOR\)](#)

**Head**

Prof Dr Christopher Peter Lenn

### **Centre of Excellence in Subsurface Seismic Imaging & Hydrocarbon Prediction (CSI)**

**Head**

Prof Dr Deva Prasad Ghosh

### [South East Asia Carbonate Research Lab \(SEACARL\)](#)

**Head**

Prof Dr Rick Major

### **Centre for CO2 Capture Research**

**Head**

Prof Dr Azmi Shariff

### **Centre for Corrosion Research (CCR)**

**Head**

AP Ir Dr Mokhtar B Che Ismail

### **Gas Separation Research Centre (GSR)**

**Head**

Assoc Prof Dr Fakhrudin B Mohd Hashim

**Offshore Engineering Centre(OEC)**

**Head**

Assoc Prof Ir Dr M Shahir Liew

**Centre of Ionic Liquid (CIL)**

**Head**

Assoc Prof Dr Cecilia Devi A/P Wilfred

**[Center Biofuel & Biochemical Research \(CBBR\)](#)**

**Head**

Prof Dr Yoshimitsu Uemura

**Center for Automotive Research & Electrical Mobility (CAREM)**

**Head**

Prof Dr Abd Rashid Abd Aziz

**[Center for Intelligent Signal & Imaging Research \(CISIR\)](#)**

**Head**

Prof Ir Dr Fadzil Mohamad Hani

**Centre of Innovative Nanostructures & Nanodevices (COINN)**

**Head**

Prof Dr Norani Muti Mohamed

**Center of Social Innovation (CoSI)**

**Head**

Assoc Prof Dr Shahrina Bt Mohd Nordin
